

Care instructions for Spirella Bath Tub Mats and Shower Mats

Please follow the special care instructions in the catalogues and on the sewn-in care labels for all spirella articles.

All Spirella bathtub mats and shower mats (bath inserts) have powerful suction pads, anti-slip surfaces and are machine washable (30°).

1. Moisten tub
2. Press suction pads firmly
3. Hang up to dry after use

Caution(!) With bath oil/ soap residue: danger of slipping!
Porous enamel of older tubs can impair adhesiveness.
